**RESUBMISSION OF
AMENDMENT AND RESPONSE TO FIRST OFFICE ACTION**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This Resubmission of Amendment and Response to First Office Action is submitted pursuant to a telephone discussion on February 4, 2005 between Examiner Donald Mills and Applicants' attorney. Examiner Mills alleges that Applicants' "Amendment and Response to First Office Action," mailed December 23, 2003 (filed in response to the Office Action mailed December 5, 2003), was not received by the Office.

Applicants have not received a Notice of Abandonment, and indeed, Examiner Mills indicated that one had not been sent. However, any Notice of Abandonment sent would have been sent in error for at least the reason that the Amendment and Response to First Office Action was indeed filed on December 23, 2003, well within the statutory limits for a timely reply to the December 5, 2003 Office Action.

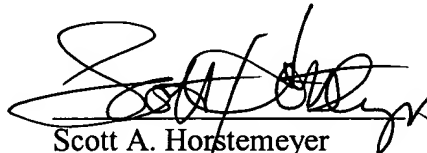

A copy of the return postcard from the USPTO, clearly showing receipt of the Amendment, is enclosed. Furthermore, a full copy of the Amendment and Response to First Office Action, as filed on December 22, 2003 (including a Certificate of Mailing confirming the mailing date), is also enclosed.

In the event that the Office regards this application as abandoned, this communication serves as a Petition to Withdraw Holding of Abandonment under 37 C.F.R. § 1.181(a), and Applicants request that the Commissioner reconsider and kindly withdraw the holding of abandonment. In accordance with 37 C.F.R. § 1.181(a), no fees are required with this petition. If, however, any fee is believed to be due, you are hereby authorized to charge any such fee to deposit account No. 20-0778.

Examination on the merits of this application with respect to the Amendment is hereby courteously requested. If, in the opinion of the Examiner, a telephonic conference would expedite the examination of this matter, the Examiner is invited to call the undersigned at (770) 933-9500.

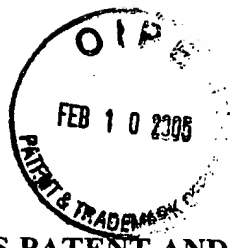

In the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required therefor are hereby authorized to be charged to deposit account no. 20-0778.

Respectfully submitted,

Scott A. Horstemeyer
